## How To Identify The Blockers That Are Stopping You Achieving Your Dreams

Most of us are afraid when it comes to embarking on a new career path, setting up a new venture or following our creative side — whether for pure pleasure or financial gain. We all have blockers, with some version of fear underlying them all. (see activity below)

In this 30 minute video with <u>Elizabeth Gilbert and Marie</u> <u>Forleo</u> you will find great stories and tips to give you confidence and inspiration to sit more comfortably with your fear and pursue your dreams regardless.

My greatest take-away from the video (there are many) is that finishing something, even if it is just OK is always better than not finishing anything!
