It is never too late to gain the confidence and skills to engage in a successful salary package negotiation conversation and boost your earnings. Remember everything is negotiable!

If you haven't negotiated your salary package lately or ever – then this presentation held on Equal Pay Day for Women is a must attend.

If you want to be working smarter and increasing your earning capacity at the same time, this presentation will equip you with the tools and confidence to do so.

Some of the reasons why women resist engaging in salary negotiation and career promotion conversations include; our different personality types, social conditioning, overvaluing competency, over-thinking the process, lack of confidence and

simply failing to act. Without acting nothing will change.

Come along to an informal and interactive session with Kelly Magowan, author of *The Busy Women's Guide to... Salary Negotiation* to learn about how to improve your negotiation skills with both current &/or future employers. In the session we will share salary negotiation stories and ask the key questions around this topic that too many of us shy away from.

The presentation will cover topics such as:

- Why Negotiate?
- Combating Negotiation Fears
- The Work / Salary Challenges Women Face
- The Fundamentals of Salary Negotiation
- How to Determine Your Worth in the marketplace
- What Is Negotiable
- How to Conduct the Salary Negotiation Process
