Before undertaking the visioning exercise below, you may like to spend a few minutes viewing my [video on vimeo](#) about visioning and how to get started.

How to do a visioning exercise?

- Find somewhere quiet where you will not be distracted for the next 10 minutes.
- Close your eyes and take a 5 short breaths. Let go of everything else that is going on in and around you.

Picture yourself in future – this could be 5 or 10 years from now.

Focus on what you want in relation to your worklife. Think big, dream. See the success of your dream in full. Do not include practicalities around the visioning – it is dreaming only.

Move all those self-limiting thoughts to the side. Simply visualise what you want for your worklife in the future. See it in your mind. Feel it. Resist focusing on the solution about how you will achieve it. Focus only on the desired outcome of your dream. Allow the details to take care of themselves.

Visualize what it is like to experience the success of your dream. Use all of your five senses to imagine yourself x years from now or when your dream has become a reality.

Draw upon all of your senses to visualize your new worklife.

- What do you see?
- What do you smell?
- What sounds do you notice?
- What tastes are you experiencing?
- What sensations are you experiencing?

Pay attention to how it feels to achieve your worklife dream. Have all the parts of your past come together to bring you this success. What does it feel like?

Open your eyes and come back with 5 short breaths.

Journaling: Find a quiet place and take 15 minutes to write in your journal what you saw in your vision. Describe what it

felt like, sounded like and tasted like. Write down all the details as you saw them.
