“It is never too late to be what you might have been.” George Elliot

[The DIY Career Change Program](#) is a series of 5 comprehensive 40 page plus workbooks that will take you from reflecting on who you are, and what you are great at, right through to identifying new career paths and how to market yourself and your Personal Brand to secure the roles that you want to be doing.

The workbooks are full of amazing content and activities that you will find make a huge impact on how you see yourself and in helping you to move towards roles that will make you happier.

The series of 5 workbooks have been designed for you to print out as I have found people achieve better outcomes if they carry them about with them to capture thoughts, ideas, strategies, names and so on. They will help you build the foundation and provide the road map towards your next great role.
